

# EMPYRION™

## WEALTH MANAGEMENT

### LOCAL FIRM, NATIONAL PROMINENCE

The nation's leading media outlets call on Kimberly Foss, CFP®, CPWA®, president of Empyrion Wealth Management, for her insight on issues impacting investors.

Below are examples of her recent highlights.

*May 10, 2016* — Kimberly joins [CNBC's "Closing Bell"](#) to discuss the current state of the markets, including value stocks, the real estate sector and the potential for a Fed rate increase.

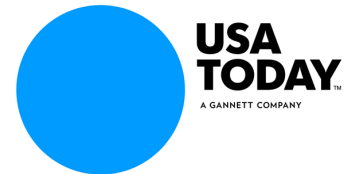

*May 2016 Issue* — Lynnette Khalfani-Cox of [AARP](#) features Kimberly in a piece on ways to pay down your debt.

**The New York Times**

*April 22, 2016* — Paul Sullivan of [The New York Times](#) features insight from Kimberly on how municipal bond defaults are impacting the market.

*March 25, 2016* — In a piece by Jeff Reeves of [USA Today](#) on what to do with your 401(k) plan when you switch jobs, Kimberly notes that anyone rolling over a 401(k) to an IRA should do so via a "direct rollover" to avoid steep tax penalties.

*February 8, 2016* — Karen DeMasters of [Financial Advisor](#) quotes Kimberly in an article highlighting how important it is for women to create a divorce fund, even if they are happily married.
